Aprašymas

Using intricately knitted lightweight fibers to create a multi-layered fabric that is highly breathable and soft to the touch, AeroWeave Technology keeps you cool and relaxed while delivering comfort like no other. Built with an ergonomically-friendly design, this gaming chair keeps you feeling comfortable and relaxed during long gaming sessions. Crafted with beautiful, high-quality stitching to add a premium and elegant touch while providing long-lasting comfort.

AEROWEAVE FOR HIGH-PERFORMANCE COMFORT

AeroWeave Technology uses strong yet lightweight fibers to create a multi-layered fabric that is both highly durable and breathable, ensuring your chair withstands the test of time while keeping you cool and relaxed.

Intricately knitted and interwoven threads achieve a surface that is smooth and soft to the touch, delivering comfort like no other.

BEAUTIFUL, HIGH-QUALITY STITCHING

Intricately designed with aesthetic yet durable stitching in the backrest and seat of the chair, the CROWN delivers a premium and elegant look and feel while providing long-lasting comfort.

CRAFTED WITH ATTENTION TO DETAIL

The CROWN was crafted with impeccable attention to detail and precision to deliver a gaming chair meeting our immensely high standards of quality, aesthetics, and comfort.

Features a sleek and beautiful in-house design with an engraved AeroCool logo on the side covers and casters.

ERGONOMICALLY-FRIENDLY DESIGN

Built with ergonomics in mind, this gaming chair keeps your body in a constant state of relaxation and comfort while providing ample support for your entire body.

High density foam perfectly accommodates your unique body shape while providing maximum comfort.

ADJUSTABLE CUSHIONS FOR AMPLE SUPPORT

Adjustable cushions are built with AeroWeave to deliver maximum comfort and breathability while providing ample support where you need it the most.

TWO-DIRECTIONAL ARMRESTS

Cushioned armrests built with AeroWeave are padded with high-density foam to provide additional comfort and support for your arms.

Adjustable two-directional armrests allow you to set them to your preferred height and position.

ADJUSTABLE RECLINING BACKREST

Fully adjustable backrest allows you to recline your chair to take a power nap or just sit back and relax.

ADJUSTABLE SEAT HEIGHT

Adjust the chair to your preferred height with a conveniently located lever. Class-4 hydraulic gas lift allows for smooth and seamless height adjustment.

TILT CONTROL MECHANISM

Allows for a rocking motion of up to 18°. You can enable or disable the rocking motion at will through a spring located underneath the seat.

A conveniently located lock allows for setting the chair to a fixed position if you prefer static support

STURDY AND RELIABLE

Top-of-the-line, premium grade materials, including a sturdy steel frame and nylon base, offer durability and quality you can rely on.

Comes equipped with BIFMA approved Class-4 hydraulic gas lift supporting up to 150kg.
