HP 330 Wireless Keyboard and Mouse Combination

Experience seamless, clutter-free productivity with the HP 330 Wireless Keyboard and Mouse Combination. Designed for universal use, this reliable duo provides precision and comfort, making it the perfect companion for both home and office environments.

The keyboard features a full-size (100%) layout, essential for efficient data entry and everyday tasks. Its robust design includes a dedicated numeric keypad, ensuring you have all the tools necessary for quick calculations and professional use. The standard English layout and comfortable pressed buttons enhance typing speed and accuracy.
