Full-Size Keyboard Designed for Efficiency

The MK270 keyboard is built for productivity. It features a familiar full-size QWERTY layout (111 keys total), complete with a numeric keypad, ensuring smooth data entry. With eight convenient hot keys, you can instantly access media controls, calculator, and other vital functions. Durability is key—the keyboard is designed to be spill-resistant, handling up to 60 ml of liquid.

- **Full-Size QWERTY Layout:** Includes a dedicated numeric keypad for efficient input.
- **8 Convenient Hot Keys:** Quick access to media, volume, and application controls.
- **Exceptional Battery Life:** Operates for up to 36 months on two AAA batteries, featuring auto power off and an on/off switch.
- **Spill Resistant Design:** Protects against minor spills (up to 60 ml).
- **Adjustable Comfort:** Features adjustable height settings with an angle adjustment up to 8°.
- **Plug and Play:** Setup is instant via the included USB Type-A nano receiver, supporting Windows, Linux, and ChromeOS.

Compact Optical Mouse and Long-Lasting Power

The included ambidextrous mouse (75.2 g) is designed for comfortable use by both left and right-handed users. It features reliable optical tracking and a scroll wheel for easy vertical navigation. Both devices benefit from impressive battery efficiency, helping you save time and money on replacements.

- **Optical Tracking:** Smooth and accurate movement detection using 3 buttons and vertical scrolling wheel.
- **Ambidextrous Form Factor:** Comfortable design for any user.
- **Long Mouse Battery Life:** Up to 12 months of use on a single AA battery.
- **Advanced Wireless:** Secure 2.4 GHz RF wireless connectivity via a tiny, plug-and-forget Nano receiver.

LOGITECH is a global leader in peripheral devices, committed to innovation, quality, and enhanced digital experiences for millions of users worldwide.
