watching a movie or diving into a game.

Immersive Picture and Audio Quality

The Q7F utilizes Samsung's proprietary QLED display technology combined with advanced imaging features like Supreme UHD Dimming and Mega Contrast for truly deep blacks and dazzling brights. Content is optimized with Filmmaker Mode, ensuring you view movies exactly as the director intended. Even older content looks sharp thanks to powerful 4K Upscaling and AI Auto Game Mode features.

- **Quantum HDR:** Supports High Dynamic Range 10+ (HDR10 Plus) for a vast spectrum of color and contrast.
- **Adaptive Sound and Q-Symphony:** The 20W, 2.0 channel audio system uses Adaptive Sound technology to optimize audio based on content, while Q-Symphony allows the TV speakers to synchronize perfectly with compatible Samsung soundbars (sold separately).
- **Motion Xcelerator:** Ensures smooth, clear fast-paced action, perfect for sports and gaming, utilizing a native 50 Hz refresh rate combined with enhanced motion processing.

The Ultimate Gaming Experience

Designed for dedicated gamers, the Q7F is equipped with the Samsung Gaming Hub, offering seamless access to your favorite games. Features like Auto Low Latency Mode (ALLM) minimize input lag, while Game Motion Plus and Super Ultra Wide Game View give you a competitive edge. Built-in technologies such as Mini Map Zoom and HGiG (HDR Gaming Interest Group) further enhance your gameplay sessions.

Smart Connectivity and Control

Running on the intuitive Tizen operating system, this Smart TV offers quick access to popular streaming services and video apps like Samsung TV Plus. Control your entire smart home setup through the built-in SmartThings Hub. Voice commands are supported via multiple platforms, including Samsung Bixby, Google Assistant, and Amazon Alexa. Connection options include Wi-Fi 5 (802.11ac), Ethernet LAN, three HDMI ports (supporting eARC), and ConnectShare for USB and HDD media playback.
