The UE55U8072FUXXH brings professional-grade picture quality right into your home. With native 3840 x 2160 resolution, every scene is rendered with incredible precision. The inclusion of HDR (High Dynamic Range) technology enhances contrast and expands the color spectrum, revealing stunning detail in both the brightest and darkest areas of the screen.

- **4K Ultra HD Resolution:** Four times the pixels of Full HD for razor-sharp clarity.
- **LED Display Technology:** Provides excellent brightness and consistent picture quality across the flat screen shape.
- **HDR Support:** Expands color gamut and contrast for a truly dynamic and lifelike image.
- **Motion Xcelerator:** Enhances frame transition and reduces motion blur, ensuring smooth, fluid action, perfect for sports and fast-paced gaming.

Smart Features and Seamless Connectivity

This Samsung TV is a true Smart hub, offering instant access to streaming services and apps via its intuitive platform. Built-in Wi-Fi and Bluetooth connectivity simplify access to content and allow for easy linking of external devices like soundbars and headphones. Integrated digital tuners support DVB-T2, DVB-C, and DVB-S2 formats, allowing reception of terrestrial, cable, and satellite broadcasts without the need for external set-top boxes.

Connectivity Highlights:

- Smart TV functionality with built-in Wi-Fi and Ethernet LAN access.
- 3x HDMI ports for connecting gaming consoles, Blu-ray players, and other high-definition sources.
- 1x USB port for media playback and external storage connection.
- Comprehensive Digital Signal System: DVB-C, DVB-S2, DVB-T2.

Samsung is a global leader in electronics, renowned for its commitment to innovation, quality manufacturing, and groundbreaking display technologies that define the modern viewing experience.
