GIGABYTE GeForce RTX 5070 Ti WINDFORCE OC 16G

Graphics Card

Unlock unparalleled gaming and creative potential with the GIGABYTE GeForce RTX 5070 Ti WINDFORCE OC graphics card. Built on the next-generation NVIDIA architecture, this powerful card features 16 GB of ultra-fast GDDR7 memory and a factory-overclocked core frequency of 2497 MHz, delivering exceptional performance for demanding modern titles and high-resolution displays up to 8K. Experience lifelike visuals, accelerated frame rates, and cutting-edge features like NVIDIA G-SYNC and DLSS 4 technology.

Advanced WINDFORCE 3X Cooling System

Maintaining peak performance requires superior thermal management. The GIGABYTE WINDFORCE 3X cooling system utilizes three powerful fans working in conjunction with a specialized heatsink design. This active cooling solution efficiently dissipates heat, ensuring stable operation and longevity even during intense, extended gaming sessions. Despite its robust cooling capacity, the card maintains a streamlined 2-slot width, making integration into various PC builds easier.

Next-Generation Performance and Connectivity

The RTX 5070 Ti is designed for future-proof computing, featuring the ultra-high bandwidth PCI Express x16 5.0 interface. With 8960 CUDA cores and a blazing 30000 MHz memory clock speed (256-bit bus), this GPU provides the raw power needed for complex rendering, competitive e-sports, and maximizing fidelity. Connectivity includes three DisplayPort 2.1a and one HDMI 2.1b ports, supporting up to four displays simultaneously and a maximum digital resolution of 7680 x 4320.

Key Features for Gamers and Creators:

- Discrete 16 GB GDDR7 memory for high-speed data access and VRAM-intensive tasks.
- Factory Overclocked (OC) core clock of 2497 MHz for enhanced out-of-the-box performance.
- PCI Express x16 5.0 interface providing maximum throughput for modern systems.
- Powerful GIGABYTE WINDFORCE 3X active cooling technology with 3 optimized fans.
- Supports NVIDIA G-SYNC for smooth, tear-free gaming experiences.

- Maximum resolution support up to 7680 x 4320 (8K).
- Equipped with 1x 16-pin supplementary power connector; requires a minimum 750 W system power supply.
- DirectX 12.0 and OpenGL 4.6 compatibility ensuring broad application support.
- Integrated illumination feature for aesthetic customization.

GIGABYTE is a globally renowned leader in computer hardware, specializing in motherboards, graphics cards, and high-performance gaming laptops. Known for their dedication to quality, innovation, and performance, GIGABYTE components are trusted by enthusiasts and professionals worldwide to deliver reliable, high-speed computing solutions.

Order today from ++SHOP++ as we offer the best deals and fast delivery on cutting-edge gaming technology.

Unlock unparalleled gaming prowess with GIGABYTE's NVIDIA graphics cards. Engineered for peak performance and visual excellence, our GPUs redefine gaming standards. With advanced cooling solutions and cutting-edge technologies, GIGABYTE NVIDIA graphics cards deliver stunning visuals and seamless gameplay experiences, empowering gamers to dominate every virtual battlefield with confidence and precision.

Warranty period: 3 year(s) | Package width: 230 mm | Graphics processor family: NVIDIA | Graphics card memory type: GDDR7 | Parallel processing technology support: Not supported | Processor frequency: 2497 MHz | Interface type: PCI Express x16 5.0 | Illumination: Yes | Minimum system power supply: 750 W | Overclocked (OC) edition: Yes | Memory bandwidth (max): 28 GB/s | Package depth: 398 mm | Graphics processor: GeForce RTX 5070 Ti | NVIDIA G-SYNC: Yes | Thermal Design Power (TDP): 300 W | Cooling technology: GIGABYTE WINDFORCE 3X | Products per shipping (inner) case: 1 pc(s) | Maximum resolution: 7680 x 4320 pixels | Cooling type: Active | Number of slots: 2 | Maximum displays per videocard: 4 | Form factor: Full-Height/Full-Length (FH/FL) | Memory bus: 256 bit | Cables included: Power | Depth: 50 mm | HDMI ports quantity: 1 | Supplementary power connectors: 1x 16-pin | HDMI version: 2.1b | Package height: 85 mm | Package weight: 3 kg | Package type: Box | Weight: 2 kg | Number of fans: 3 fan(s) | Dual Link DVI: No | DisplayPorts quantity: 3 | Length: 304 mm | Discrete graphics card memory: 16 GB | Height: 126 mm | Memory clock speed: 30000 MHz | DisplayPort version: 2.1a | Product colour: Black | OpenGL version: 4.6 |
