This chair focuses on providing comprehensive support to ensure optimal posture and minimize strain during long working hours.

- **Ergonomic Design:** Structured to support the natural curve of the spine, promoting healthy sitting habits.
- **Lumbar and Head Support:** Features an integrated lumbar pillow and a fixed headrest for enhanced support to the neck and lower back area.
- **Padded Comfort:** Includes deeply padded seating, backrest, and padded armrests, all finished in durable, easy-to-clean eco-leather material.
- **Tilt Adjustment:** Allows the user to utilize a tilt mechanism for reclining and locking the chair into a comfortable, relaxed position.

Durable Construction and Adjustability

The YK7406-1 is built on a robust metal frame, ensuring longevity and stability, complemented by essential adjustable features.

- **Reliable Gas Lift:** Equipped with a Class 2 gas lift mechanism, allowing smooth and precise seat height adjustment (ranging from 46 cm minimum to 55 cm maximum).
- **Sturdy Base:** Features a 70 cm diameter metal base with a sleek black finish for maximum stability.
- **Mobility:** Fitted with five smooth-rolling castor wheels for effortless movement across different floor surfaces.
- **Dimensions:** Generous seating area with a seat width of 59 cm, seat depth of 57 cm, and a backrest height of 79 cm.
