Step into a world of breathtaking visual accuracy with the Samsung S90F Series 77-inch OLED TV. Utilizing self-illuminating pixels, this 4K UHD display delivers absolute blacks, vibrant colors, and infinite contrast, ensuring a truly immersive viewing experience. Driven by the Tizen OS platform, this Smart TV integrates seamlessly into your modern connected home.

## Advanced Picture & Display Technologies

The S90F goes beyond standard 4K, incorporating advanced picture enhancement features designed to bring cinematic depth to every scene. Technologies like Real Depth Enhancer and AI Motion Enhancer Pro optimize clarity and realism, while 4K AI Upscaling Pro ensures lower resolution content is meticulously upgraded to near-4K quality. Enjoy stunning high dynamic range performance with HDR10+ Adaptive, providing optimal brightness and contrast based on your environment.

- **Display Excellence:** 77-inch (195.6 cm) 4K Ultra HD resolution (3840 x 2160) powered by OLED technology.
- **Color and Contrast:** Features self-illuminating pixels for perfect black levels and a wide color spectrum.
- **HDR Support:** Full support for HDR10+ Adaptive, HDR10+ Gaming, and OLED HDR +.
- **Ultra Viewing Angle:** Ensures consistent picture quality regardless of where you are sitting.

## Next-Level Gaming Performance

Designed for serious gamers, the S90F Series TV supports cutting-edge motion handling. The Motion Xcelerator 144Hz technology, combined with Variable Refresh Rate (VRR) and HDR10+ Gaming support, eliminates lag and motion blur, providing hyper-smooth, responsive gameplay at a refresh rate up to 144Hz.

## Immersive Audio and Smart Connectivity

Complementing the superior visuals is a powerful 2.1 channel speaker system delivering 40 watts of audio power. Enjoy multi-dimensional sound with support for Dolby Atmos and Enhanced Audio Return Channel (eARC). Connectivity is effortless with four HDMI ports, two USB ports, Wi-Fi, Bluetooth, and built-in tuners (DVB-C, DVB-S2, DVB-T2).

- Powerful 40W 2.1 channel speaker system.

- Dolby Atmos support for cinematic, three-dimensional audio.
- Smart features powered by Tizen OS, including Bixby voice assistant and SmartThings/Matter integration.
- Sleek, black, bezel-less design.

**Samsung** is a globally recognized leader in technology, constantly pushing boundaries in display and consumer electronics innovation. Their S90F OLED line represents the pinnacle of home entertainment design and performance.

Order today from ++SHOP++ and redefine your viewing experience with the future of television.

Experience visuals with the 77-inch OLED TV from Samsung's S90F Series, featuring a 4K UHD display that delivers picture quality through self-illuminating pixels and a wide color spectrum. The display incorporates picture enhancement technologies such as Real Depth Enhancer and AI Motion Enhancer Pro, ensuring that every scene comes to life with detail and accuracy. Whether enjoying movies or gaming, the technology supports Variable Refresh Rate (VRR) and Motion Xcelerator 144Hz for smooth motion, providing a viewing experience.

The sound experience is elevated with a powerful 2.1 channel speaker system offering a total output of 40 watts. Enhanced Audio Return Channel (eARC) and Dolby Atmos create an immersive audio environment that complements the visuals. Features, including voice interaction via Bixby, web browsing capabilities, and support for various streaming services provide entertainment options, while connectivity options like HDMI, USB, and Bluetooth allow for integration with other devices. The sleek, bezel-less design and energy-efficient features make this TV a stylish addition to any home.
