Achieve the perfect posture and setup for hours of intense gaming thanks to the integrated height adjustment mechanism. The Hero 3.6 ensures that your monitor and peripherals are always at the optimal level, minimizing strain and maximizing comfort.

- **Ergonomic Height Adjustment:** The desk height can be precisely adjusted across a wide range, from 560 mm up to 790 mm (23 cm range), making it ideal for users of various sizes and accommodating different chair types.
- **Spacious Surface Area:** Featuring a generous 1400 mm width and 600 mm depth, the rectangular tabletop provides ample space for multiple monitors, keyboard, mouse, and essential gaming equipment.
- **Robust Construction:** Built on stable H-type legs, the desk offers superior stability, essential during high-stakes competitive play.
- **Durable Tabletop:** The desk top material has a thickness of 1.5 cm, ensuring longevity and resistance to typical wear and tear.

Smart Features for an Organized Setup

Clutter leads to distraction. The Huzaro Hero 3.6 includes dedicated accessories designed to keep your space neat, clean, and functional, ensuring that every necessary item is within reach but off the main playing surface.

- **Built-in Headphone Hook:** A convenient, integrated hook allows you to store your gaming headset safely, preventing damage and freeing up desktop space.
- **Dedicated Bottle Holder:** Keep refreshments close by with the secure bottle holder, drastically reducing the risk of accidental spills near expensive electronics.
