yellow tripod allows you to capture stable, professional-quality footage wherever your adventures take you. Perfect for table-top shooting or low-angle stability.

Optimal Stability and Versatility

Crafted from a combination of lightweight Aluminium and robust Technopolymer, this tripod offers the perfect balance of durability and minimal weight. Weighing only 163 grams, it is effortlessly portable. It comes complete with an integrated smartphone holder, ensuring immediate compatibility with virtually any mobile phone or smartphone.

- **Adjustable Height:** Easily extend the tripod from a folded length of 17.5 cm to a fully extended height of 30 cm, providing flexibility for desktop use or low-angle shooting.
- **Dedicated Smartphone Support:** Includes a dedicated mobile phone holder, accommodating one device (maximum) for stable streaming or recording.
- **Premium Materials:** Constructed using durable Aluminium and high-grade Technopolymer, ensuring longevity and reliable performance.
- **Ultra-Lightweight Design:** With a weight of just 163 g, this is the ideal compact travel tripod for creators on the move.
- **Stability Footprint:** Features three robust legs, each measuring 10 cm in length, designed for solid support.

Usage and Care Notes

To ensure the longevity of your PATONA tripod, avoid leaving the device in humid environments, exposure to direct water, extreme temperatures, or direct sunlight. If cleaning is required, ensure gentle methods are used.

PATONA is a globally recognized brand specializing in high-quality power solutions and essential accessories for digital devices, known for reliable performance and excellent value.
