PATONA Premium Professional Dual Lavalier Microphone Set PTS-I91S

The PATONA Premium Professional Lavalier Microphone Set PTS-I91S is designed for content creators, streamers, and presenters who require exceptional audio quality and maximum flexibility. Featuring a dual-transmitter setup, this wireless system allows two people to record simultaneously using a single receiver, making it ideal for interviews, podcasts, and co-hosted streams. The 2.4GHz wireless technology ensures a stable, low-latency connection.

Designed for universal compatibility, the set includes a USB-C receiver and a dedicated Lightning adapter, supporting virtually all modern recording devices including Android phones, iPhones (iOS compatibility), Windows PCs, and Mac operating systems.

Key Features and Performance

- **Dual Transmitter System:** Includes two ultra-compact, lightweight transmitters (8.2 g each) allowing for simultaneous two-person recording.
- **Omnidirectional Pickup:** The microphone direction type is omnidirectional, ensuring high-quality sound capture from all directions.
- **Excellent Audio Quality:** Features a high Line Signal-to-Noise Ratio (SNR) of 65 dB and a maximum Sound Pressure Level (SPL) of 94 dB, delivering clear, professional audio.
- **Extended Battery Life:** Powered by reliable Lithium Polymer (LiPo) batteries, the transmitters offer a maximum battery life of up to 8 hours on a single charge.
- **Wide Frequency Range:** Supports a headphone frequency response of 100 ~ 24000 Hz, capturing a full spectrum of vocal sounds.

Universal Compatibility and Portability

This premium set is ready to use out of the box with diverse devices. The included charging case ensures easy portability and quick recharging wherever you go. The receiver type is USB-C, making setup fast and reliable.

- **Transmitter Dimensions:** Extremely slim profile measuring 55 × 31.5 × 8.5 mm.
