

Graphics Card SPARKLE Intel Arc PRO B60 PASSIVE 24GB GDDR6 Professional Workstation GPU (SBP60B- 24G)

Modelis: SBP60B-24G

Gamintojas: SPARKLE

EAN: 4711342291150

Prekės kodas: 368878

685.99€

SPARKLE Intel Arc PRO B60 PASSIVE 24GB GDDR6 Workstation Graphics Card

The SPARKLE Intel Arc PRO B60 is engineered for demanding professional workloads requiring absolute silence and robust performance. Featuring 24 GB of high-speed GDDR6 memory and advanced Intel Arc architecture, this graphics card delivers exceptional speed for rendering, design, and complex data visualization.

This model utilizes advanced passive cooling, eliminating fan noise entirely. Perfect for quiet office environments and sensitive recording studios, the B60 maintains optimal thermal performance even under a typical power consumption of 200 W.

Uncompromised Professional Performance

Powered by the Intel Arc graphics processor clocked at 2400 MHz, the B60 is built on 20 Xe-cores and 20 dedicated Ray Accelerators, ensuring smooth handling of intensive graphical tasks. The integration of 160 Intel® Xe Matrix Extensions (Intel® XMX) Engines further accelerates AI-driven workloads.

Key Technical Specifications:

- **Memory Configuration:** Massive 24 GB GDDR6 memory with a 192-bit memory bus, achieving a maximum bandwidth of 456 GB/s.
- **Silent Cooling Design:** Two-slot passive cooling solution ensures completely silent operation (0 dB).
- **Modern Connectivity:** Features four DisplayPort 2.1 outputs, supporting up to four simultaneous displays for expansive multi-monitor setups.
- **High-Speed Interface:** Connects via the cutting-edge PCI Express x8 5.0 interface, maximizing data throughput.
- **Power Requirements:** Requires one supplementary 8-pin power connector.
- **Dimensions:** Designed to fit standard workstations with dimensions of 289 mm (Length) x 120 mm (Depth) x 42 mm (Height).

SPARKLE is a respected manufacturer known for delivering innovative and reliable components, particularly specializing in advanced graphics solutions for both gaming and professional applications.

Order today from ++SHOP++ as we offer the best deals and reliable delivery on professional workstation hardware.
