The TCL 40V5C is designed for modern entertainment, providing comprehensive connectivity options and smooth performance thanks to the PPI (Picture Performance Index) 1000 motion technology, ensuring fast-paced action looks crisp and fluid.

- **QLED (Quantum Dot Technology):** Offers superior color volume, improved brightness, and extended lifespan compared to traditional LED screens.
- **Full HD 1080p Resolution:** Crisp picture quality with 1920 x 1080 pixels for detailed viewing.
- **Smart TV Capabilities:** Access popular streaming services and apps directly through the built-in operating system.
- **PPI 1000 (Picture Performance Index):** Ensures smooth motion handling, essential for fast-paced content and sports viewing.
- **Integrated Tuners:** Ready for the future of broadcasting with DVB-T2/HEVC/S2/C support, eliminating the need for external set-top boxes.
- **Wireless Connectivity:** Includes built-in Wi-Fi and Bluetooth for easy content sharing, network access, and accessory connection (headphones, soundbars).
- **Connectivity Hub:** Equipped with 2 HDMI ports and 1 USB port for connecting gaming consoles, media players, or external drives.

TCL is a global leader in consumer electronics, dedicated to delivering cutting-edge display technology and smart entertainment solutions to millions of households worldwide.
