Dynamic QNED colour technology

LG QNED70A features the latest Dynamic QNED colour technology, which delivers content that is bursting with rich and accurate colours, with 100% colour volume displaying delicate differences in tone and colour spectrum.

Smart processor for optimised pictures and sound

LG QNED70A features the smart $\alpha 7$ AI Processor: the brain of the TV. Features supported include 4K Upscaling for sharp pictures, and AI Brightness Control, which uses sensors to intelligently adjust the brightness based on the ambient light in your room, for an optimal picture. Plus AI Sound Pro to upscale stereo sound into an immersive, virtual 9.1.2 channel surround sound experience.

Smart webOS Platform

LG QNED70A features webOS, LG's smart platform which hosts a huge variety of the best streaming services, while making browsing and searching for what to watch completely hassle-free. The smart platform is controlled with the LG AI Magic Remote, and opens up a world of information and assistance through a variety of AI-driven services. These include the AI Chatbot - which can help you to change the image or sound to your liking simply by asking, Voice ID - which can recognise

different users and provide personalised recommendations, and much more.

What's more, with LG's webOS Re:new program, you'll enjoy upgrades to the latest version for five years.

Stylish design

The stylish design profile means that this TV will look great in any living space.

Immersive cinema experience

Support for Filmmaker Mode ensures the movie looks just as the director intended, and HDR technology provides an expanded colour palette and contrast range, for more impactful images.

Game Optimiser & ALLM

Level up your gaming by optimising the picture for whatever type of game you are playing.

LG Soundbar synergy

Pair with a compatible LG Soundbar to enjoy a seamless, connected experience with enhanced sound. WOW Orchestra utilises TV and Soundbar speakers simultaneously for an optimised experience. WOW Interface takes the hassle out of tuning your audio, using Soundbar mode controls and super-accessible TV remote and on-screen menus.
