The Dell Pro 14 PC14250 is engineered to meet the demanding needs of modern business professionals. Combining a sleek, highly portable 14-inch design with powerful, cutting-edge components, this laptop ensures you maintain peak productivity whether you are in the office or on the go. Featuring an elegant Platinum Silver chassis, the Dell Pro 14 offers both performance and sophisticated style.

## Exceptional Performance and Display Quality

Powered by the high-efficiency **Intel Core Ultra 5 235U processor**, the Dell Pro 14 handles intensive multitasking and demanding applications with ease. The system is equipped with **16 GB of rapid DDR5 memory** and a swift **512 GB Solid State Drive (SSD)**, ensuring instant boot times and rapid data retrieval, minimizing delays in your workflow. Visuals are stunning on the 14-inch FHD+ IPS Anti-glare display, which provides wide viewing angles and reduced reflections for comfortable, prolonged use.

## Key Specifications and Business Features:

- **Processor:** Intel Core Ultra 5 235U for high-speed performance and efficiency.
- **Memory and Storage:** 16 GB DDR5 RAM and 512 GB SSD capacity.
- **Display:** 14-inch FHD+ (Full High Definition Plus) IPS panel with Anti-glare finish.
- **Operating System:** Pre-loaded with Windows 11 Pro, offering advanced security and enterprise management features.
- **Input:** English language keyboard with comfortable backlighting for low-light environments.
- **Graphics:** Integrated Intel Graphics, suitable for professional content creation and general use.
- **Warranty:** Comprehensive 36-month product warranty (3 years) and 12-month battery warranty.

The operating system, Windows 11 Pro, provides the robust security measures and streamlined interfaces necessary for a secure and organized business environment.

**DELL** is a world leader in technology, consistently delivering reliable, high-performance computing solutions tailored specifically for the rigors of professional and enterprise use.
