whether you are using it for intensive gaming, home office tasks, or professional corporate work.

## Key Features and Ergonomics:

- **Electric Height Adjustment:** Easily change the desk height over a wide range, from a minimum sitting height of 72 cm up to a maximum standing height of 118 cm, ensuring optimal ergonomic positioning for any user.
- **Integrated Memory Function:** Features a convenient memory function that allows you to save your preferred sitting and standing heights. Recall these settings instantly with the touch of a button, simplifying your daily workflow.
- **Robust Metal Frame:** Constructed from durable, high-quality metal in a sleek black finish, guaranteeing exceptional stability and long-term durability.
- **High Load Capacity:** Supports a maximum load of 80 kg, safely accommodating multiple monitors, desktop computers, and other essential peripherals.
- **Versatile Application:** Ideal for modern ergonomic needs, fitting perfectly into gaming setups, home offices, and traditional office environments.

## Technical Specifications:

- Frame colour: Black
- Frame material: Metal
- Minimum height: 72 cm
- Maximum height: 118 cm
- Frame width: 90 cm (900 mm)
- Frame depth (stand depth): 58 cm (580 mm)
- Maximum supporting width (desk surface): 135 cm
- Maximum dynamic load: 80 kg

Note that the maximum load capacity of 80 kg should never be exceeded. For continued safety and stability, remember to regularly check the condition of the fixing screws and ensure all components are secure.

**MARK ADLER** is a reputable manufacturer known for producing high-quality, ergonomic office and gaming furniture. Their products combine modern design with practical functionality, focusing intensely on maximizing user comfort and promoting a healthier working environment.
