space into a cinematic environment. Powered by Quantum Dot technology, the Q7F delivers 100% Color Volume, ensuring billions of perfectly vibrant shades even in the brightest scenes. The stunning 4K UHD resolution (3840 x 2160) combined with the powerful Tizen OS provides a world-class viewing experience.

Cinematic Picture Quality and Quantum HDR

Dive deep into visuals enhanced by advanced display technology. The 85-inch LED-backlit LCD panel utilizes Quantum HDR and HDR10+ support, creating deep contrasts and exceptional detail between the brightest whites and the darkest blacks. Picture enhancements like Mega Contrast and contrast enhancer work alongside Supreme UHD Dimming to optimize picture quality across every frame. With Motion Xcelerator technology and a 50 Hz refresh rate, fast-paced action remains smooth and clear, making this TV ideal for sports and movies.

- 85-inch QLED display with 4K UHD (3840 x 2160) resolution.
- Quantum Dot technology for 100% Color Volume and lifelike color accuracy.
- Quantum HDR and HDR10+ support for enhanced depth and contrast.
- Motion Xcelerator ensures smooth motion handling.

Smart Entertainment Hub and Immersive Sound

The Q7F runs on the intuitive Tizen OS, providing seamless access to all your favorite streaming services, including HbbTV 2.0.4 compatibility. Integrate this display effortlessly into your smart home ecosystem using SmartThings and Matter platforms. Voice control is simple with the built-in Bixby intelligent assistant. Connectivity is robust, featuring Wi-Fi, LAN, Bluetooth 5.3, three HDMI ports, and a USB connection for easy integration of external devices.

Audio is just as impressive as the visuals. The integrated 2-channel, 20-watt speaker system supports Enhanced Audio Return Channel (eARC) and Object Tracking Sound Lite (OTS Lite), delivering dynamic sound that moves with the action on screen. Adaptive Sound technology optimizes audio based on your specific room environment.

Samsung is a globally recognized leader in technology, known for producing innovative and high-quality electronics that define modern entertainment and consumer electronics standards.

The Samsung QE85Q7FAAU combines impressive technology with a sleek design, making it a fit for any modern living space. With its 85-inch LED-backlit LCD display featuring a 4K UHD resolution of 3840 x 2160, users can enjoy stunning visuals enhanced by Quantum Dot technology. This model supports HDR10+, ensuring vibrant colors and deep contrasts for an immersive viewing experience. Smart capabilities allow access to a range of streaming services and applications along with voice control via the intelligent assistant Bixby. Connectivity options such as Wi-Fi, LAN, and Bluetooth 5.3 provide flexibility for various entertainment setups, while the three HDMI ports and USB connection allow for easy integration with other devices. Audio performance is impressive, thanks to the 20 watts output power from the integrated 2-channel speaker system. Enhanced Audio Return Channel (eARC) and Object Tracking Sound Lite create a dynamic audio experience that complements the stunning visuals. Adaptive Sound technology optimizes sound based on the surrounding environment. Additional features such as game modes and screen mirroring enhance usability, making it an ideal choice for gamers and movie enthusiasts alike. With its energy efficiency and a host of innovative features, the Samsung QE85Q7FAAU delivers an entertainment experience.
