panel, this display delivers stunning picture quality, exceptional clarity, and wide viewing angles (178°/178°). The virtually frameless design on three sides allows for seamless multi-monitor setups, helping you focus entirely on your tasks.

Optimized Performance and Connectivity

Equipped with a fast 4ms response time and a 75 Hz refresh rate, the Q24P2Q ensures smooth motion rendition, whether you are managing complex spreadsheets or reviewing multimedia content. Connectivity is robust, providing flexibility for modern and legacy systems, alongside a convenient built-in USB hub.

- **Display Quality:** 23.8" IPS Panel with Quad HD (2560 x 1440) resolution.
- **Enhanced Refresh Rate:** 75 Hz refresh rate for smoother viewing experience than standard 60 Hz models.
- **Extensive Connectivity:** Includes HDMI 1.4, DisplayPort 1.2, and legacy D-SUB (VGA) inputs.
- **Integrated USB Hub:** Features a 4-port USB 3.2 Gen 1 hub for easy connection of peripherals directly to the monitor.
- **Built-in Audio:** Integrated speakers simplify your desk setup by providing immediate audio output.

Ergonomics and Eye Comfort

This AOC P2 series monitor prioritizes user well-being during long working hours. The fully ergonomic stand allows for Height Adjustment (HAS), Swivel, and Tilt, ensuring you find the perfect viewing position. Additionally, the Pivot function enables rotation to portrait mode, ideal for coding or document review. To protect your vision, the monitor incorporates Flicker-Free technology and a Low Blue Mode, significantly reducing eye strain.

AOC (Admiral Overseas Corporation) is a global leader in display technology, recognized for manufacturing high-quality, reliable, and performance-driven monitors catering to professional, home, and gaming users worldwide. AOC products combine advanced features with excellent value.

Order today from ++SHOP++ as we offer the best quality AOC monitors at competitive prices and reliable delivery across the country.

Stunning picture quality and productivity-boosting features in a 23.8" QHD display

The Q24P2Q offers professionals a wide array of convenient features to help them get the most out of every work day. Equipped with a flat 23.8" IPS/3FL panel with QHD resolution, it features a slim, 3-sided frameless design with wide viewing angles of 178°/178°. Tilttable, swivelable, and height-adjustable, it includes a USB 3.2 hub and provides ergonomic comfort as well as eye-friendly features such as Low Blue Mode and Flicker-Free technology.
