16GB of high-speed GDDR6 memory, the AORUS ELITE is built to handle the most demanding modern titles, ensuring smooth frame rates and exceptional detail up to 8K resolution.

Designed with serious enthusiasts in mind, the card features a high 3100 MHz core clock speed and utilizes the ultra-fast PCI Express 5.0 interface, maximizing data throughput between the GPU and the motherboard. The advanced active cooling system, featuring three powerful fans (3 fan(s)), ensures optimal thermal management even under intense load, allowing the processor to maintain peak clock speeds for extended gaming sessions.

Key Performance Specifications:

- **Graphics Processor:** AMD Radeon RX 9070 XT
- **Memory:** 16 GB GDDR6 (256-bit interface, 20000 MHz speed)
- **Core Clock Speed:** 3100 MHz
- **Interface:** Next-generation PCI Express 5.0 (PCI-E 5.0)
- **Maximum Digital Resolution:** 7680 x 4320 pixels (8K ready)
- **Video Outputs:** 2 x DisplayPort and 2 x HDMI ports
- **API Support:** DirectX 12.0 and OpenGL 4.6

The AORUS Radeon RX 9070 XT ELITE provides exceptional power and efficiency for competitive gaming and content creation. Its multi-color illumination adds a customizable aesthetic touch to any high-end PC build.

GIGABYTE, through its premium AORUS line, is renowned worldwide for creating high-performance gaming hardware that combines cutting-edge technology with robust engineering and innovative thermal solutions. Their commitment is to empower gamers and creators with unmatched computing power.

Order today from ++SHOP++ as we offer the best deals and fast shipping on premium GIGABYTE graphics cards.

Experience the next level of gaming immersion with GIGABYTE's AMD graphics cards. Crafted to deliver uncompromising performance and stunning visuals, our GPUs redefine gaming excellence. Featuring advanced cooling solutions and innovative technologies, GIGABYTE AMD graphics cards empower gamers to push the boundaries of what's possible, delivering unmatched gaming
