desktop-like operating system, this device is ideal for users needing a reliable mobile solution for work, study, or browsing.

Performance and Operating System

Experience responsive performance powered by the Intel® Celeron® N4020 dual-core processor, clocked at 1.1 GHz. Paired with a substantial 8 GB of internal memory, the KM1089 handles multitasking and application use efficiently. Storage needs are met by a fast 256 GB internal storage capacity, ensuring ample space for documents and media. Further expansion is possible using a MicroSD card up to 128 GB via the integrated card reader.

Display and Design

Enjoy vibrant visuals on the 10.1-inch (25.6 cm) IPS display, which offers wide viewing angles and crisp 1280 x 800 pixel resolution. The capacitive touchscreen ensures smooth and accurate interaction with the Windows 11 Pro interface. Weighing only 635 g and measuring 10 mm thin, this black tablet remains highly portable without sacrificing screen space.

Connectivity and Multimedia Features:

- High-speed connectivity thanks to top Wi-Fi standard Wi-Fi 5 (802.11ac) and Bluetooth 4.2.
- Equipped with a USB 2.0 Type-C port for charging and data transfer.
- Capture moments or participate in video conferencing using the 2 MP front and 2 MP rear cameras.
- Enhanced audio experience provided by two built-in speakers and a sensitive integrated microphone.
- Long-lasting use is supported by the 3200 mAh battery (7.4 V).

KRUGER & MATZ is a technology brand committed to delivering functional electronics and audio equipment that blends modern design with accessible pricing, focusing on user satisfaction and reliable performance.
