Experience entertainment on a colossal scale with the Samsung S90F QE83S90FAE. Featuring a massive 83-inch (2.11 m) flat OLED display, this Smart TV delivers absolute blacks, infinite contrast, and brilliant colors, making every scene stunningly realistic. Powered by the groundbreaking NQ4 AI Gen3 Picture Processor, this television utilizes advanced AI Upscale technology to transform lower-resolution content into crisp 4K Ultra HD (3840 x 2160) quality. Its sleek, 4-Bezel-less LaserSlim Design ensures that this technological masterpiece blends seamlessly into any modern living space.

Unrivaled Visual and Audio Immersion

- **Pristine OLED Display:** Enjoy perfect clarity and deep detail thanks to OLED HDR+ technology and an anti-glare screen, ensuring a wide viewing angle regardless of lighting conditions.
- **NQ4 AI Gen3 Processor:** The revolutionary processor optimizes picture quality and sound in real-time, leveraging AI for superior performance and stunning 4K upscaling.
- **Immersive 2.1 Channel Audio:** With 40W RMS power and a built-in subwoofer, coupled with Dolby Atmos support and Object Tracking Sound Lite (OTS Lite), the TV provides dynamic, multidimensional sound that follows the action on screen.
- **Q-Symphony:** Seamlessly synchronize your TV speakers with a compatible Samsung soundbar for an elevated, harmonious audio experience.

Designed for Ultimate Gaming

The S90F is built for next-generation gaming, featuring technology previously unseen in standard televisions:

- **Ultra-High Refresh Rate:** Native refresh rate of 120 Hz, enhanced up to 144 Hz via Motion Xcelerator technology, ensuring exceptionally smooth motion handling.
- **AMD FreeSync Premium Pro:** Experience tear-free, low-latency HDR gaming with Variable Refresh Rate (VRR) support.
- **Game Mode Features:** Access specialized tools like Dynamic Black EQ, Mini Map Zoom, and Ultra Wide Game view, giving serious gamers a competitive edge.

Smart Connectivity and Control
