The G27i utilizes a high-quality IPS panel, which not only delivers vibrant colors and deep contrasts but also guarantees superior performance for high-speed action. The Full HD (1920 x 1080) resolution on the large 27-inch screen offers an immersive visual field, perfect for modern titles.

- **Ultra-Fast Refresh Rate:** 165 Hz maximum refresh rate provides seamless motion rendering.
- **Instant Response Time:** 1 ms response time virtually eliminates ghosting and motion blur.
- **Vibrant IPS Panel:** Experience wide 178° viewing angles and consistent, accurate colors (16.7 million display colors).
- **Optimized Brightness:** 250 cd/m² brightness ensures comfortable viewing even during long gaming sessions.

Connectivity and Setup Flexibility

Connecting your gaming PC or console is straightforward thanks to modern connectivity options. The monitor supports essential input standards, allowing for reliable, high-bandwidth signal transfer required for 165Hz performance. Furthermore, its ergonomic design allows for easy integration into any setup.

- Connectivity options include 1 x HDMI port and 1 x DisplayPort.
- VESA mounting support (75x75) provides flexibility for wall or arm mounting.
- Adjust the screen for optimal viewing comfort using the built-in tilt adjustment feature.

XIAOMI is a globally recognized technology leader, celebrated for manufacturing high-performance electronic devices and quality monitors that provide exceptional value and reliability.
