The MSI MAG 272URDF E16 redefines competitive gaming, delivering exceptional performance and visual clarity for demanding players. This 27-inch monitor features a cutting-edge Rapid IPS panel and the revolutionary Dual Mode function, allowing you to optimize performance based on your game type—whether you need ultra-high resolution or lightning-fast refresh rates.

Optimal Flexibility with Dual Mode Technology

The innovative Dual Mode feature is central to the MAG 272URDF E16, ensuring you always have the competitive edge. Easily toggle settings using the user-friendly 5-way Joystick Navigator or a dedicated one-click switch button.

- **4K Ultra HD (3840 x 2160) at 160Hz:** Perfect for immersive, high-fidelity RPG/MMORPGs and simulators where crisp visuals and detail are paramount.
- **Full HD (1920 x 1080) at 320Hz:** Designed for fast-paced FPS games where every millisecond counts, prioritizing the highest possible frame rate.

Professional Gaming Specifications

Experience seamless, fluid motion thanks to the ultra-low response time and premium display certifications. The monitor is built for visual accuracy and speed, ensuring you see beyond the game.

- **Rapid IPS Panel:** Provides vibrant colors and extremely fast 0.5 ms response time (MPRT), minimizing motion blur and ghosting.
- **VESA DisplayHDR 400 Certified:** Delivers enhanced contrast, deeper blacks, and brighter whites, revealing critical details in shadows and bright scenes.
- **Wide Viewing Angles:** Exceptional 178° horizontal and vertical viewing angles maintain image quality from various positions.
- **Aspect Ratio Options:** Supports customizable aspect ratios, including a selection for 24.5-inch imagery, allowing players to tailor the screen size to their preference.
- **Built-in Connectivity:** Includes an integrated USB hub (version 2.0) for convenient peripheral connections.
- **Ergonomic Design:** Supports VESA mounting and features height adjustment for finding the perfect setup.

MSI MAG Series: Stability and Durability

The MSI mainstream MAG series epitomizes stability and durability. Built to withstand the most intense gaming sessions, this monitor features robust construction with metallic-like hardness and excellent heat dissipation, ensuring stable operation for all critical gaming components.

Order today from ++SHOP++ as we offer the best deals and fast delivery on high-performance gaming hardware.

Experience immersive gaming with the MAG 272URDF E16 gaming monitor. Featuring Dual Mode with UHD 160Hz and FHD 320Hz, along with AI Navigator for an enhanced gaming experience, it delivers exceptional performance. Certified with VESA DisplayHDR 400, it refines contrast and shadows for stunning visual clarity. Designed for competitive FPS, first-person RPG/MMORPG, and flight/racing simulators, the MAG 272URDF E16 redefines casual gaming, pushing players to see beyond the game.

MSI's mainstream MAG series epitomizes stability and durability and is built to withstand the most intense gaming sessions. The entire lineup features robust construction with metallic-like hardness and excellent heat dissipation, ensuring stability for all critical gaming components.

Dual Mode

Dual Mode allows you to select the resolution and refresh rate that best suit your game—choose a higher refresh rate with lower resolution for fast-paced FPS games or enjoy crisp 4K visuals with a lower refresh rate. Designed with a user-centric approach and ergonomic convenience, it features a 5-way Joystick Navigator on the right side of the screen and a one-click switch button, making it easy to toggle Dual Mode settings and providing a seamless, user-friendly experience.

ASPECT RATIO OPTIONS

Supports a variety of aspect ratios, allowing selection of 24.5" imagery. Choose the size you want at your leisure, and elevate your gaming experience to the utmost.

160Hz 4K | 320Hz Full HD | Rapid IPS | 27"
