Aprašymas

USB-C earbuds with Intuitive touch design remote with easy to push buttons and microphone on/off switch.

Go with the simplicity, high-quality sound and convenience brought by USB-C connectivity

Simple connection, Delay-free sound

Wired USB-C connection brings you delay-free, uncompressed high-fidelity sound – ideal for movie nights, gaming sessions, and online meetings.

Uncompromising Sound Quality

The 10.7mm neodymium drivers and a built-in DAC ensure crystal-clear and powerful sound. The open-design is not only comfortable but also creates a natural and spacious soundstage along with the custom sound tuning, accentuating a powerful audio experience.

Clear Calls, Uninterrupted Connections

With the superior microphone and uncompressed audio signal, enjoy seamless, clear calls every time. Stay connected without any sound cutoffs –

perfect for your business or school online sessions.

Compatible for various latest devices

The USB-C connector earphones work seamlessly with the most of latest PCs, smartphones, tablets, and more. Say goodbye to carrying multiple earphones. They also serve as a reliable backup option in critical situations, such as when Bluetooth earphones run out of battery during an important online session.

Intuitive Touch Design remote

Our three-button remote control is intuitively designed for easy operation by touch. With volume up, down, and a versatile multi-use button (play, pause, forward, reverse, answer call, and hang up), plus a dedicated microphone on/off slide switch – it's simplicity at your fingertips!

Lightweight and sweat proof for convenient daily use

With its lightweight design and sweat proofing, you can feel free to carry it around and use it instantly whenever needed.
