Compact Entertainment: LIN 24LHDD06 HD Ready TV

The LIN 24LHDD06 is a versatile, compact 24-inch (61 cm) HD Ready television designed specifically for spaces where efficiency and size matter, such as kitchens, bedrooms, offices, or small recreational vehicles. Featuring crisp LCD display technology with bright LED backlighting, this black TV set delivers clear and enjoyable visuals suitable for everyday viewing.

Optimized Visual Performance

Despite its compact footprint, the LIN 24LHDD06 provides robust picture quality. The HD Ready resolution of 1366 x 768 pixels ensures sharp detail appropriate for the screen size. Enhanced by a high static contrast ratio of 3000:1 and a brightness of 200 cd/m², images are vibrant and rich. Furthermore, the expansive 178° viewing angle guarantees consistent picture quality from almost

any seat in the room.

- Display Diagonal: 61 cm (24")
- Resolution: HD Ready (1366 x 768)
- Contrast Ratio: 3000:1
- Viewing Angle: 178°
- Response Time: 9.5 ms

Connectivity and Energy Efficiency

This model is equipped with a modern DVB-T2 tuner, making it ready for current digital terrestrial broadcasting standards. Connectivity options include Component and Composite video inputs, and a useful headphone output for private listening. Sound is handled by two integrated speakers providing a total output of 2x3 W (4Ω).

Designed to be highly efficient, the television consumes only 23 W (max) during operation and a mere 0.5 W on standby (Energy efficiency class F SDR). The product comes complete with a desktop stand and an IR remote control for immediate use.

- Audio Output Power: 2 x 3 W
- Video Inputs: 1x Composite, 1x Component (YPbPr/YCbCr)
- Features: Headphone output, Remote control included
- Power Consumption (SDR) per 1000 hours: 23 kWh

LIN specializes in producing reliable and straightforward electronic appliances, focusing on affordability and essential functionality for the home user.
