## Ergonomic Comfort and Adjustability

- **Ergonomic Design:** The chair is specifically contoured to provide optimal body support and encourage a healthy seating posture throughout the day.
- **Breathable Mesh Backrest:** The 49 cm high (45 cm wide) mesh backrest allows for superior ventilation, preventing overheating and ensuring long-lasting comfort.
- **Adjustable Seating Position:** Equipped with a reliable Class 2 gas lift, the seat height is easily adjustable from a minimum of 45 cm to a maximum of 55 cm, accommodating various desk heights.
- **Total Mobility:** Experience complete freedom of movement with 360° swiveling capability and five smooth-rolling plastic wheels.
- **Padded Seat:** The generous 48 cm wide by 49 cm deep seat features durable foam padding covered in high-quality grey fabric upholstery.

## Durable Construction and Features

The YK507 is built on a sturdy grey polypropylene (PP) frame. It includes fixed hard armrests for stable support when typing or resting. The overall chair height is adjustable between 90 cm and 100 cm. Installation instructions are included for secure setup. Please ensure all parts are securely fitted before use and adjust the height carefully.

**ACTIVEJET** is known for providing reliable and functional office accessories and hardware solutions, focusing on quality and affordability.

Order your Activejet YK507 grey office chair today from ++SHOP++ and experience improved comfort and productivity.
