0.5ms response time, this display ensures that every frame is rendered instantly, giving you the decisive competitive edge in fast-paced action games. The Full HD (1920 x 1080) resolution is perfectly matched with this high refresh rate to deliver seamless, tear-free visuals and stunning clarity.

## Supreme Performance Specifications

- 24.5-inch diagonal size (62.2 cm) optimized for maximum visibility and focused competitive play.
- Stunning 320Hz refresh rate guarantees smooth motion clarity, crucial for high-level gaming performance.
- Ultra-fast 0.5 ms response time eliminates ghosting and motion blur, ensuring crisp imagery.
- Advanced Fast IPS panel technology provides excellent 178° horizontal and vertical viewing angles, along with vivid color accuracy.
- High brightness of 400 cd/m<sup>2</sup> ensures clear visibility even in high-light gaming environments.
- Native contrast ratio of 1000:1 for deep blacks and bright whites.

## Ergonomics and Connectivity

Designed for marathon gaming sessions, the AW2525HM includes comprehensive ergonomic adjustments, including VESA mounting support and precise height adjustment, allowing you to find the perfect viewing position to minimize strain. Connectivity is streamlined with a built-in USB hub (USB 3.2 Gen 1 version), ensuring your peripherals are always connected and ready for action.

**Dell Alienware** is globally recognized for producing premium, high-performance computing hardware specifically tailored for serious gamers and enthusiasts, merging cutting-edge technology with iconic design and durability.

Order your 320Hz Alienware AW2525HM monitor today from ++SHOP++ and elevate your competitive gaming experience to the next level.

25-inch 320Hz gaming monitor featuring a Fast IPS panel, vivid colour accuracy and ultra-smooth visuals.
