Key Visual and Performance Features:

- **4K Ultra HD Resolution:** Enjoy four times the detail of standard Full HD, ensuring incredibly crisp and lifelike image quality across all content.
- **HDR Support:** High Dynamic Range technology enhances contrast and provides a wider spectrum of colors, making both the darkest and brightest scenes appear richer and more detailed.
- **Motion Xcelerator Technology:** Ensures smoother motion handling, reducing blur and judder, which is crucial for watching fast-paced sports and action films (50 Hz native refresh rate).
- **LED Display Technology:** Provides excellent brightness and superior energy efficiency, ensuring a great viewing experience in various lighting conditions.

Connectivity and Smart Functionality:

This Samsung Smart TV allows you to effortlessly stream content, browse the web, and control compatible devices using the integrated system. With built-in Wi-Fi and Bluetooth capabilities, connecting peripherals and accessing online content is simple and reliable.

- **Digital Tuners:** Integrated DVB-T2 (modern terrestrial broadcast), DVB-C (cable), and DVB-S2 (satellite) ensuring readiness for all common broadcast formats.
- **Multiple Inputs:** Includes 3 x HDMI ports for connecting gaming consoles, soundbars, and Blu-ray players, alongside 1 x USB port for easy multimedia playback from external drives.

Samsung is a world-renowned leader in electronics, celebrated for its innovation in display technology, quality manufacturing, and intuitive user experiences that shape the future of home entertainment.
