Experience less motion blur and smoother visuals thanks to performance optimized for fast-paced content. Whether you are scrolling documents or engaging in dynamic media, this monitor keeps up:

- **100Hz Refresh Rate:** Provides a smoother visual flow compared to standard 60Hz monitors, enhancing clarity and reducing eye strain during continuous use.
- **1ms MPRT (Moving Picture Response Time):** Delivers extremely sharp, artifact-free motion, crucial for detailed graphic work and gaming.
- **AMD Adaptive-Sync:** Synchronizes the display refresh rate with your graphics card's frame rate, eliminating screen tearing and stuttering for a seamless viewing experience.

Vibrant Colors and Eye Comfort

The 24B3HA2 excels in color reproduction and user comfort, making it ideal for extended working sessions.

- **IPS Panel Excellence:** Enjoy a wide color gamut, covering 95.2% sRGB and 73.8% DCI-P3, ensuring rich, vibrant, and professionally accurate colors for content creation and media consumption.
- **Flicker-Free Technology:** Reduces screen flickering that causes discomfort and fatigue during prolonged use.
- **Low Blue Light Feature:** Minimizes harmful blue light emissions without sacrificing color quality, protecting your eyes during long hours.
- **Anti-Glare Screen:** The screen coating reduces reflections, allowing you to focus purely on your content.

Integrated Design and Connectivity

This monitor features ultra-narrow bezels, maximizing your screen space and making multi-monitor setups nearly seamless. The built-in 2W speakers provide basic audio needs without requiring external equipment. Connectivity is versatile, including HDMI 1.4 and VGA ports for broad compatibility with modern and legacy devices.

AOC INTERNATIONAL is a globally recognized manufacturer known for producing high-quality display technology, offering excellent performance and value across their diverse monitor lines.

Order today from ++SHOP++ as we offer the best deals and reliable customer service for your display needs.

High-performance clarity with 23.8" FHD monitor featuring 120Hz refresh rate and HDMI

Dive into the extraordinary world of crystal-clear visuals and vibrant colors with our solid 24-inch FHD IPS Monitor. Elevate your viewing experience to new heights as every detail comes alive on the compact screen, making your content truly immersive. Experience smooth 120Hz refresh rate, ensuring each frame is a visual delight. No more lag or motion blur – just pure and clear for eye pleasure. The 1ms MPRT takes your working experience to the next level, making fast-paced scenes sharper and more exhilarating. 24B3HA2 isn't just about visuals; it's a feast for your ears too. Enjoy rich sound with built-in 2W speakers, turning every movie night or watching multimedia session into action which can fulfil basic audio needs without the need for additional audio equipment. Sleek and stylish narrow borders provide you with more screen real estate, featuring a 9.5mm ultra-narrow chin that is almost half as thin as standard monitors. Lastly, the low blue light feature ensures your eyes stay fresh during extended use. This is a statement piece for your setup.

Discover the AOC Basic-line 24B3HA2 monitor, designed for both professionals and enthusiasts. This 24-inch Full HD monitor delivers stunning visuals with wide color gamut, including 95.2% sRGB and 73.8% DCI-P3 coverage, ensuring accurate and vibrant colors. AMD Adaptive-Sync technology eliminates image tearing and stuttering for a smooth viewing experience during fast-paced scenes. With its sleek design, featuring ultra-narrow bezels and an anti-glare screen, the AOC Basic-line 24B3HA2 minimizes eye strain during prolonged use, thanks to Flicker-Free technology. Versatile connectivity options, including HDMI and VGA ports, allow for easy setup and compatibility with a wide range of devices. Whether you're working on detailed graphic design projects, enjoying your favorite movies, or dominating games, this monitor is built to enhance every moment.
