TV Set LG 43QNED70A6A 43" 4K Ultra HD QNED Smart TV

Experience a new level of visual clarity with the LG 43QNED70A6A. This 43-inch television utilizes Dynamic QNED color technology to deliver incredibly rich and accurate colors. With 100% color volume, it captures delicate differences in tone and spectrum, making every scene appear more lifelike and vibrant.

Advanced AI Performance

At the heart of the LG QNED70A is the $\alpha 7$ AI Processor, which acts as the brain of your TV. It supports 4K Upscaling to ensure even lower-resolution content looks sharp on the 4K screen. AI Brightness Control uses built-in sensors to intelligently adjust the picture based on your room's

lighting, while AI Sound Pro transforms standard stereo into an immersive virtual 9.1.2 channel surround sound experience.

Smart webOS Platform

Enjoy effortless navigation with the webOS smart platform. Controlled by the intuitive LG AI Magic Remote, it provides quick access to your favorite streaming services. The platform includes smart features like an AI Chatbot for easy settings adjustment and Voice ID for personalized content recommendations. Plus, the webOS Re:new program guarantees software upgrades for up to five years, ensuring your TV stays modern.

Features:

- 4K Ultra HD resolution (3840 x 2160) for stunning detail and clarity.
- QNED technology for superior color accuracy and deep contrast.
- Filmmaker Mode and HDR support for a true cinematic experience as intended by directors.
- Game Optimiser and ALLM for smooth, responsive, and lag-free gaming sessions.
- WOW Orchestra and WOW Interface for seamless integration and control with LG Soundbars.

LG is a world-renowned manufacturer of electronics, famous for its innovative OLED and QNED displays that redefine the home viewing experience through cutting-edge technology and smart functionality.

Order today from ++SHOP++ as we offer the best deals and fast delivery on high-quality home entertainment systems.

Dynamic QNED colour technology

LG QNED70A features the latest Dynamic QNED colour technology, which delivers content that is bursting with rich and accurate colours, with 100% colour volume displaying delicate differences in tone and colour spectrum.

Smart processor for optimised pictures and sound

brightness based on the ambient light in your room, for an optimal picture. Plus AI Sound Pro to upscale stereo sound into an immersive, virtual 9.1.2 channel surround sound experience.

Smart webOS Platform

LG QNED70A features webOS, LG's smart platform which hosts a huge variety of the best streaming services, while making browsing and searching for what to watch completely hassle-free. The smart platform is controlled with the LG AI Magic Remote, and opens up a world of information and assistance through a variety of AI-driven services. These include the AI Chatbot - which can help you to change the image or sound to your liking simply by asking, Voice ID - which can recognise different users and provide personalised recommendations, and much more.

What's more, with LG's webOS Re:new program, you'll enjoy upgrades to the latest version for five years*.

*Customers will receive 4 upgrades over time, starting from the launch version.

Stylish design

The stylish design profile means that this TV will look great in any living space.

Immersive cinema experience

Support for Filmmaker Mode ensures the movie looks just as the director intended, and HDR technology provides an expanded colour palette and contrast range, for more impactful images.

Game Optimiser & ALLM

Level up your gaming by optimising the picture for whatever type of game you are playing.

LG Soundbar synergy

Pair with a compatible LG Soundbar to enjoy a seamless, connected experience with enhanced sound. WOW Orchestra utilises TV and Soundbar speakers simultaneously for an optimised experience. WOW Interface takes the hassle out of tuning your audio, using Soundbar mode controls and super-accessible TV remote and on-screen menus.

*Compatible with select LG soundbars
