Elevate your hybrid workflow and entertainment setup with the ASUS ZenScreen MB16QHG portable monitor. Designed for professionals and gamers requiring high performance on the go, this 16-inch display offers stunning WQXGA (2560 x 1600) resolution combined with an ultra-smooth 120 Hz refresh rate. Its ultrathin 7 mm profile and lightweight construction ensure unmatched portability, making it the perfect secondary screen for boosting productivity whether you are working remotely, traveling, or presenting.

Key Features and Visual Excellence:

- **16-inch WQXGA IPS Display:** Enjoy incredible detail with 2560 x 1600 resolution and wide 178° viewing angles, ensuring consistent, vibrant colors from any position.
- **120 Hz SmoothMotion Refresh Rate:** ASUS SmoothMotion technology provides a fluid and responsive viewing experience, ideal for fast-paced content, scrolling through webpages, and light gaming.
- **DisplayHDR™ 400 Certified:** Experience superior contrast and color depth thanks to High Dynamic Range (HDR) technology and 100% DCI-P3 cinematic gamut coverage.
- **Unmatched Portability:** Features an ultrathin 7 mm profile and a versatile L-shaped integrated kickstand that supports both landscape and portrait orientations.
- **Flexible Connectivity:** Equipped with USB-C® ports on both sides for easy setup and power delivery, alongside an HDMI input for broader compatibility.
- **Fast Response Time:** With a quick 5 ms response time, motion blur is minimized, ensuring crisp visuals during rapid action.

The ZenScreen MB16QHG is specifically tailored to extend your workspace, helping you get more done with less effort. Its high-resolution WQXGA panel delivers sharp text and detailed graphics, making it an essential tool for tasks demanding visual accuracy.

ASUS is a world-renowned technology leader, known for creating innovative products that deliver incredible performance and style across computing and display solutions.

Get More Done , With Less Effort

ASUS ZenScreen MB16QHG is a 16-inch portable monitor featuring a WQXGA (2560 x 1600), IPS display with a 120 Hz SmoothMotion refresh rate. Its ultrathin 7 mm profile and lightweight design ensure unmatched portability, making it the ideal secondary display to extend a monitor's workspace across two displays boost productivity, particularly for hybrid workers. An integrated L-shaped kickstand gives ZenScreen MB16QHG the versatility to be used in either landscape or portrait orientation, while USB-C® ports on both sides of the monitor offer flexibility. And to top it all off, HDR technology with DisplayHDR™ 400 compliance and DCI-P3 gamut ensure exceptional contrast and color performance.

Impressive visuals

ASUS SmoothMotion technology enables a 120 Hz refresh rate, so everything from scrolling through webpages to gaming on ZenScreen MB16QHG feels fluid and responsive. High dynamic range (HDR) technology with DisplayHDR™ 400 compliance and DCI-P3 gamut ensure exceptional contrast and color performance.

Add a New Dimension to your viewing

ZenScreen MB16QHG features an 16:10 WQXGA (2560 x 1600) IPS panel that delivers stunning visuals and 178° viewing angles, ensuring superb color and contrast — even when viewed from off-center positions.
