

MONITOR ACC ARM ZEPHER SINGLE/RGOVLZE4SI R-GO TOOLS

Modelis: RGOVLZE4SI

Gamintojas: R-GO TOOLS

EAN: 8719274491088

Prekės kodas: 37441

82.99€ ~~89.00€~~

With the R-Go single monitor arm, you can easily and quickly position your monitor at eye level. You can also tilt and swivel the screen as desired and adjust its depth. Thanks to its modular design, you can easily expand the monitor arm with a document holder, laptop holder, Smartbar or an extra arm. The monitor arm can be attached to the worktop from above. This means you can even work in an upright position during installation! What's more, no tools are required for installation. The R-Go monitor arms are CO2 neutral. The CO2 emissions released during the manufacture of a monitor arm are offset by planting trees. The R-Go monitor arms are designed in the Netherlands and feature patented SMART functions, such as a rotation stop for each moving part. This SMART STOP prevents the monitor arm from colliding with an (acoustic) wall.

- **COMPATIBILITY:** This single monitor mount fits screens up to 18 lbs in weight, featuring 75x75mm or 100x100mm backside mounting holes. Provides space-saving convenience and ergonomic placement of almost any monitor. Ideal for reducing shoulder, neck, and eye strain

at home or in the office.

- **FULLY CUSTOMIZABLE USER EXPERIENCE:** Enjoy a completely customer-friendly experience with a single monitor stand that offers full customization. The articulated arm allows easy rotation, comfortable height adjustment along the center pole, +40° to -40° tilt, 180° swivel, and 360° rotation. Arm extends and retracts, tilt to change reading angles, and rotate Monitor from landscape-to-portrait mode.
- **EASY-TO-USE and EASY INSTALLATION:** One-click smart lock ensures simple and tool-free installation onto VESA bracket plates. The Zepher 4 has a user-friendly installation that requires no tools or special skills! Mounts securely on desks (up to 4" thick) via a heavy-duty C-clamp.
- **ADDITIONAL FUNCTIONS:** Whether in the office or at home, this monitor arm offers a modular structure with a load capacity of 2-8 kg. It includes a document holder, smart bar, laptop and thin client holder, smart lock, stop, and connection function. Integrated cable management tidies up all cables with the included cable tray.
- **HIGHEST QUALITY MATERIALS:** Crafted from high-quality, highly resistant, and 100% recyclable materials, this adjustable monitor stand stands out for its sustainability and performance. Experience the smallest carbon footprint while enjoying the durability and functionality of top-tier materials.
