compromising space. Featuring a compact 24-inch HD (1366x768) DLED display and running on the powerful Android 11 platform, this television provides immediate access to unlimited content and smart features.

Experience vibrant visuals with a high typical contrast ratio of 2250:1 and wide 178-degree viewing angles, ensuring clarity from almost any position. The integrated digital tuners (DVB-T/T2/C/S/S2) ensure you can access a wide range of free-to-air and subscription channels immediately.

Smart Features and Seamless Integration

Powered by Android TV, this DAHUA model transforms your viewing experience. You gain access to the Google Play Store, offering over 500,000+ movies, shows, and all the top streaming applications, including Netflix and YouTube. Voice control is streamlined thanks to built-in Google Assistant, allowing you to manage playback, search for content, and control smart home devices simply using your voice.

- **Android 11 OS:** Fast and reliable performance with access to the full Google Play ecosystem and major streaming services.
- **Chromecast Built-in:** Effortlessly cast videos, photos, and music directly from your smartphone or tablet to the TV screen.
- **Dolby Audio Support:** Integrated 2.0 speakers (6W RMS total) featuring Dolby technology provide clear and rich sound quality.
- **Connectivity Options:** Equipped with two HDMI 1.4 ports, two USB 2.0 ports, and Ethernet LAN/Wi-Fi for flexible connections to external devices and reliable internet streaming.
