Enhance Your Sim Racing Experience

The Next Level Racing Free Standing Keyboard and Mouse Tray is the perfect addition to any sim racing cockpit or wheel stand. Designed for sim racers who need quick and easy access to their peripherals, this stand allows you to keep your keyboard and mouse in an ergonomic position while you focus on the track. Whether you are navigating menus, chatting with friends, or performing technical adjustments, this accessory ensures everything is within arm's reach.

Versatility and Customization

One of the key advantages of this stand is its free-standing design. This means it is compatible with all wheel stands and cockpits, not just those from Next Level Racing. The tray is highly adjustable, allowing users to modify the height, angle, and distance to suit their specific seating position and
