55.99€

Powerful over-ear 7.1 USB gaming headset for an immersive gaming experience

Surround yourself in the sound

Prepare to be blown away with the Fayzo. With virtual 7.1 surround sound and 50mm drivers, you'll hear every word, footstep, bang, ding and more to experience your games like never before.

Play for the planet

Game in a way that's good for you and good for the planet. With an eco-friendly design of 85% recycled plastics, the Fayzo helps you play with crystal-clear sound and a clear conscience too!

Irresistibly comfortable

Perfect for those marathon gaming sessions, this headset has über-comfortable earpads and adjustable swiveling ear-cups that will keep your head feeling happy all day long. Bliss!

Mic on, mic off

Your teammates need you, so make sure they capture your every word with the Fayzo's noise-cancelling microphone. Flexible and detachable, it can even be folded away or taken off completely when it's not needed!

Light it up

This headset's got both style and substance. With adjustable multicolour RGB lighting, choose between three vibrant colours modes to add an extra dash of awesome to your gaming setup.

Hear and be heard

Seamlessly control your sound with the Fayzo's easy-to-reach volume control and on-ear microphone mute button. That means less time fussing with controls and more time gaming!

Stay connected

Never let a short cable hold you back. With an extra-long 2m cable, this headset gives you the freedom to move and play without restrictions, no matter how intense it gets.

Do it your way

Take full control of your listening experience with the Fayzo. The included PC software allows you to create custom EQs, adjust your microphone ENC (environmental noise cancellation), and fine-tune the 7.1 sound – how cool is that?!

Platform partner

The Fayzo has so many incredible features already, but its compatibility with PC, PS4 and PS5 just makes it even better! Whichever platform you prefer, this is the headset for you.
