1200 pixels, this laptop offers crisp visuals and more vertical screen real estate for productivity. The anti-glare coating ensures a comfortable viewing experience even in bright environments, making it perfect for office use or remote work.

Advanced AI-Ready Performance

Equipped with the cutting-edge AMD Ryzen AI 7 350 processor and 16 GB of high-speed DDR5 RAM, the PV14255 handles multitasking and demanding applications with ease. The integrated AMD Radeon Graphics provide smooth visual performance, while the massive 1000 GB (1 TB) Solid-state drive offers lightning-fast boot times and ample space for all your critical files and projects.

Features for Professionals:

- **14" 2K Display:** 1920 x 1200 pixels with anti-glare technology for sharp, clear images.
- **Powerful Processing:** AMD Ryzen AI 7 350 designed for modern AI-enhanced workflows.
- **High-Speed Memory:** 16 GB DDR5 RAM for seamless multitasking.
- **Massive Storage:** 1 TB SSD ensures speed and reliability.
- **Connectivity:** 802.11ax (Wi-Fi 6) for stable, high-speed wireless internet.
- **User-Friendly:** Backlit keyboard for low-light environments and a sleek Platinum Silver finish.
- **Operating System:** Pre-installed with Ubuntu for a flexible and secure open-source environment.

This laptop is built for longevity, backed by a 36-month warranty (12 months for the battery), ensuring peace of mind for your investment.

DELL is a global leader in computer technology, renowned for creating reliable, high-performance hardware that empowers businesses and individuals to achieve more through innovation and quality design.
