46.98€

- **Media-Friendly:** The K400 plus wireless touchpad keyboard gives you integrated, comfortable, laid-back control of your PC-to-TV entertainment, eliminating the clutter of a separate keyboard and mouse - all from the comfort of your couch
- **Plug-and-Play:** Works straight out the box, just plug the Unifying mini-receiver into a USB port and the wireless touchpad keyboard is ready to go - then adjust controls using the Logitech Options Software to save your preferred settings
- **Power-Packed:** Built with laid-back control in mind, this wireless keyboard with touchpad has a reliable and long battery life of up to 18 months, including an on-off button to help it go even further
