- **Android-Based:** Offers flexibility and ease of use for content management.
- **Full HD IPS Panel:** Delivers crisp, clear visuals with wide viewing angles.
- **500cd/m<sup>2</sup> Brightness:** Ensures excellent visibility in different lighting conditions.
- **Power over Ethernet (PoE):** Simplifies installation by using a single cable for both power and data.
- **Guaranteed Compatibility:** Minimum 5-year compatibility ensures long-term reliability for professional installations.

With Power over Ethernet (PoE) capability, installation is streamlined, requiring just one cable for both power and data transmission. Iiyama guarantees a minimum of 5 years of compatibility with this platform, providing assurance and long-term reliability for professional installations. The ProLite S2225AS-B1P is optimized with the on-board iiSignage<sup>2</sup> Content Management System.

**Iiyama** is a leading display solutions provider, renowned for delivering high-quality monitors and digital signage solutions tailored for professional environments.
