Elgato Master Mount L - The Essential Core for Your Studio

The Elgato Master Mount L is the ultimate space-saving standalone solution for content creators, streamers, and professionals. Designed to be the central host for your production gear, it allows you to get your equipment off the desk and into your workflow with precision and stability. Whether you are mounting a camera, a light, or a microphone, this mount provides the professional foundation your setup needs.

Versatile and Precise Adjustment

With a height range of 55 cm to 125 cm (22 to 49 inches), the Master Mount L offers exceptional flexibility for any desk configuration. The integrated ball head with a standard 1/4-inch screw allows for three-dimensional positioning, ensuring your gear is always at the perfect angle. The padded desk clamp secures the mount firmly to surfaces up to 60 mm thick, protecting your furniture while maintaining maximum stability.

Expandable Multi Mount Ecosystem

One of the strongest features of the Master Mount L is its compatibility. As part of the Elgato Multi Mount system, all components are inter-compatible. You can easily add accessory arms, weighted bases, or smartphone holders to customize your configuration on the fly. It is perfect for overhead setups, multiple mounting points, or freestanding applications.

Features:

- Height adjustable from 55 cm up to 125 cm for the perfect positioning.
- 3D swivel ball head with a universal 1/4-inch screw for wide compatibility.
- Heavy-duty steel construction with hard composite and tough rubber materials.
- Padded desk clamp expandable up to 60 mm (2.35 inches).
- Space-saving design that clears valuable desk real estate.
- Fully compatible with the Elgato Multi Mount accessory ecosystem.

ELGATO is a leading provider of hardware and software for content creators, known for their innovative designs that simplify complex production tasks into seamless professional experiences.
