# High-Performance Productivity with the Dell Pro 14 Essential

The Dell Pro 14 Essential PV14250 is a sophisticated laptop designed for professionals and students who require reliability and speed. Encased in a sleek Platinum Silver finish, this device combines a compact form factor with powerful internals to help you tackle any task with confidence. Whether you are working on complex spreadsheets, participating in video conferences, or enjoying multimedia content, this laptop delivers a seamless experience.

## Stunning Visuals and Superior Display

Experience crystal-clear imagery on the 14-inch 2K display. With a resolution of 1920 x 1200 pixels and an anti-glare coating, you can work comfortably in various lighting conditions without distracting reflections. The 16:10 aspect ratio provides more vertical screen real estate, making it easier to read documents and browse the web with less scrolling.

## Advanced Hardware for Efficient Multitasking

Powered by the Intel Core 7 150U processor and 16 GB of high-speed DDR5 memory, the Dell Pro 14 Essential ensures responsive performance across all your applications. The 512 GB solid-state drive provides ample storage for your files while offering lightning-fast boot times and data access. With Windows 11 Home pre-installed, you have access to the latest security features and productivity tools.

## Features:

- Powerful Intel Core 7 150U processor for demanding workloads.
- 16 GB DDR5 RAM for smooth multitasking and efficiency.
- 512 GB SSD for fast storage and quick system responsiveness.
- 14-inch 2K (1920 x 1200) Anti-glare display for vibrant visuals.
- Reliable connectivity with Wi-Fi 6 (802.11ax).
- Extended peace of mind with a 36-month manufacturer warranty.
