64.99€

Your everyday audio companion

Galaxy Buds FE, with their compact and ergonomic design, are here to deliver an outstanding listening experience. Block out unwanted noise with Active Noise Canceling, personalise the fit with various tips and seamlessly sync with your Samsung Galaxy devices. Experience the everyday audio companion that truly caters to you.

Timeless hues to match any tune

Graphite and White are two timeless colours that keep you in style. They blend well with your everyday outfits, making them a versatile choice for any occasion.

Turn the world off with powerful ANC

Noise off, your world is on. Active Noise Canceling instantly puts you alone with your music in a quiet

space. Keep the distractions out and immerse yourself in the pure sound.

Silence at your fingertip

Turn the Active Noise Canceling on or off by simply touching and holding the touch area. If you want to talk to your buddy beside you, you can also switch to Ambient Sound mode to hear them without having to take off your earbuds.

Enriched Bass Sound

Indulge in rich sound of Galaxy Buds FE with deep, powerful bass from the new 1-way speaker, no matter what you're listening to.

On and on with long-lasting battery

Compact in size, yet powerful. The battery lasts for up to 30 hours on a single charge, keeping up with your long playlist of songs, podcasts or social media videos throughout your day.

Switch to devices without pause

Your sound follows you seamlessly as you pair with other Samsung Galaxy devices using Auto Switch, or connect with a touch or Bixby. Your sound even stays with you as you switch the playback device from your smartphone to your TV via Smart View, so you can continue watching your show on the bigger screen without missing a beat.

Hi Bixby, play my favorite song

Turn on Bixby Voice wake-up mode and use your voice to check the weather, search songs, text your friends and more. Simply say "Hi, Bixby" and ask Bixby to do it for you.

Lost and found in a blink

Lost your earbuds? Well, it won't be for long. Track them down using the location of your missing earbuds. When they're found by someone else's phone, your contact information will be shared with them along with a 'Lost and Found' message. Keep your Galaxy Buds FE within reach.

Friendly reminder to grab your earbuds

Forget anything? Galaxy Buds FE give you an alarm when you leave your earbuds behind, so you won't have to walk back miles.

Tune your audio to your taste

With the Galaxy Wearable app, you can quickly personalize the settings of your Galaxy Buds FE straight from your Samsung Galaxy devices. From the equaliser to Bixby Voice wake-up, the intuitive and easy-to-use settings let you tune your earbuds to your taste in no time.

Your favourite accessories still fit

Continue using that case cover you love on Galaxy Buds FE since the devices are compatible with cover accessories for Galaxy Buds2, Galaxy Buds2 Pro and Galaxy Buds Live. Enjoy your Buds without parting with your favourite case cover.

A pair of comfort for your ears

Galaxy Buds FE's small, ergonomic design gives added comfort as they snugly nestle in your ears and stay securely in place. Customise your earbud fit with different size choices for both wing tips and ear tips.

Your voice delivered with precision

Enjoy clear calls with three microphones on Galaxy Buds FE. Main Mic, Sub Mic and Inner Mic all work in harmony to accurately capture your voice, so your words reach the other end loud and clear.

Your earbuds, personalised for you

Galaxy Buds FE use Personalised Beamforming to automatically adjust to your wearing pattern for the optimal pickup of your voice. Put them on and they'll locate your voice when you start talking.

Be heard above the noise

Whether you're in a bustling city or on a windy hilltop, your voice cuts through the noise on phone calls thanks to Galaxy Buds FE's DNN solution that adeptly filters out background noise from your voice.

- New wing-tip design keeps them in place
- Active noise cancelling for a quality listening experience
- Easy touch controls make changing settings a breeze
