Sunnylife protective case for DJI Mini 5 Pro

The Sunnylife case is a durable and roomy solution for storing and transporting the DJI Mini 5 Pro drone and all necessary accessories. The interior has been precisely molded from high-density foam, accommodating, among other things, the drone (with original cover), RC 2 or RC-N3 controller, 7 batteries, charging hub, propellers, cables, lens filter and other small items. This keeps everything in its place, preventing equipment from moving around and making it easy to pack quickly.

Water and impact resistant design

The case is made of hard ABS plastic for impact, pressure, heat and corrosion resistance. The enclosed case protects the contents from rain and splashing, making it ideal for use in harsher conditions. In addition, a pressure equalization valve is used to prevent the lid from being sucked in

at high altitudes or during sudden temperature changes.

Functionality for everyday use and travel

The case is equipped with a comfortable, soft abrasion-resistant handle and a double locking system - with an additional locking opening button to prevent accidental opening. It can also be carried on the shoulder - after purchasing a dedicated strap. A reinforced bottom increases the stability of the entire design, and 304 stainless steel hinges ensure durability even with frequent use.
