with a 1920 x 1200 resolution, this laptop provides ample screen real estate for multitasking, spreadsheets, and detailed creative work. Powered by the AMD Ryzen 7 PRO 250 processor and integrated AMD Radeon 780M graphics, it delivers smooth performance for demanding business applications.

Key Performance Features:

- **Processor and Graphics:** Equipped with an AMD Ryzen 7 PRO 250 processor and AMD Radeon 780M graphics for seamless multitasking.
- **Memory and Storage:** 16 GB of high-speed SODIMM DDR5 RAM paired with a 512 GB Solid-state drive (SSD) ensures fast boot times and responsive data access.
- **Visual Experience:** 16-inch WUXGA (1920 x 1200) IPS display with anti-glare coating for comfortable viewing in various lighting conditions.
- **Advanced Connectivity:** Stay ahead with the latest 802.11be (Wi-Fi 7) standard and Bluetooth 5.4. This model is also LTE upgradable for on-the-go connectivity.
- **Professional OS:** Pre-installed with Windows 11 Pro, offering enhanced security and management features for business environments.
- **User-Friendly Design:** Nordic layout backlit keyboard for precision typing in low-light environments and a sleek black finish.

Durability and Reliability:

The ThinkPad L16 G2 is built to withstand the rigors of daily business use. With a 36-month warranty (12 months for the battery), you can trust in the longevity and support that comes with the legendary ThinkPad brand name. Its robust build and modern security features make it an ideal companion for corporate environments.

Lenovo is a global leader in the PC industry, renowned for the legendary ThinkPad series which combines cutting-edge technology with industry-leading durability and ergonomic design.
