formats, you will enjoy brighter colors, vivid tones, and impressive contrast in both the darkest and brightest scenes.

Immersive Sound and Smart Features

Sound quality is just as important as the picture. Dolby Audio provides crystal-clear sound for everything from dialogue to action sequences. The innovative Vocal Boost feature allows you to adjust dialogue volume independently, ensuring you never miss a word. Additionally, this TV is Matter Smart Home compatible, allowing for seamless integration into your smart home ecosystem and voice control via Alexa or Google smart speakers.

Features:

- 32-inch (81 cm) HD+ display with 1366 x 768 resolution.
- TITAN OS for fast access to popular streaming services.
- Pixel Plus HD engine for sharp and detailed images.
- HDR10 and HLG support for enhanced color and contrast.
- Dolby Audio and Vocal Boost for superior sound clarity.
- Matter Smart Home compatibility and voice control support.
- Sleek European design with a borderless frame.

PHILIPS is a globally recognized leader in electronics, committed to improving people's lives through meaningful innovation in healthcare, consumer lifestyle, and lighting. With decades of expertise, Philips products are synonymous with quality, reliability, and cutting-edge design.

Size matters. With its small, lightweight and compact design, this smart TV is the perfect fit for any space. Blends in beautifully at home or on the go.

Get a better view with HD

Clear images. Pixel Plus picture sharpness. With high resolution and defined imagery, this LED TV shows that every little detail counts.

Colour and contrast with HDR10 and HLG

Brighter colours. Vivid tones. From the darkest scenes to the brightest light, clarity is everything. This is where high dynamic range impresses with clearer colour and contrast.

Dolby Audio for crisp, clear sound

Listen. Hear each moment. This is crystal clear Dolby Audio. From dialogue to dance and from action movie moments to stunning nature scenes, you can experience clearer sound as you go.

Titan OS. Find it easily.

The Philips Smart TV Titan OS platform brings what you love to watch, and fast. From sequels to series and documentaries to drama, everything you want is there at the touch of a button. Whatever you're looking to watch, keep all the best streaming apps easily within your reach.

Connect seamlessly to smart home networks

Matter Smart Home compatibility means you can control your TV via Matter Smart Home app or voice control your TV via Alexa-enabled devices or via your Google smart speakers. This way, your voice can find movies, shows, receive recommendations and so much more.

Add clarity to each word with Vocal Boost

Hear each word clearly. Vocal Boost enables the listener to turn the dialogue volume up or down without any effect on the background sound. You won't miss a single moment now that each spoken sentence comes across with greater clarity.

European values in design

Finding a design that fits in perfectly with your needs can mean everything. Borderless frame. Defined stand. European know-how. This is where design, picture and sound really come together as the smarter choice.
