Modelis: EY8F001

Gamintojas: ENDORFY

EAN: 5903018664613

Prekės kodas: 37806

27.00€

Talk. Create. Watch. And always keep your head screen high – because that's exactly what you have Atlas Single for. This adjustable metal strongman lifts 27-inch screens (the minimum diagonal of the monitor is 13 inches) as easily as if they weighed nothing. And no wonder – we'd do the same if we had a lifting capacity of 8 kg and a 75×75mm/100×100mm VESA standard (we're still working on it) ;)

Atlas Single

Chatting with your besties, streaming in the evening, sitcoms, and chill... You set the action plan and the Atlas Single keeps the time screen. And it handles it pretty well – with a load capacity of 8 kg, it's not afraid of even larger, 27-inch screens.

The Atlas Single is compatible with 75 x 75 mm and 100 x 100 mm VESA standards. You can also easily adjust the height of the screen, rotate it left or right (from -90° to +90°), and tilt it up or down (from -35° to +35°). Mounting the whole thing takes just a few seconds – just screw the clamp onto the desk and you're done. Your Atlas Single is ready for action.
