For seamless multitasking, the B36 supports Bluetooth 5.2 with effortless switching across your computer, tablet, and phone—up to three devices. The BM25 mouse also features stable Bluetooth 5.2 for added flexibility in your wireless setup.

All Silent Design

The B36 keyboard comes with fully pre-lubed keys, delivering smooth, low-friction keystrokes and a consistent feel across every key. Equipped with all-silent micro switches, the BM25 ensures ultra-quiet clicks—perfect for shared spaces and office work.

Quick Reconnection

For the B36 keyboard, flip the toggle switch on the upper right corner to quickly re-enter Bluetooth or 2.4G pairing mode anytime. In Bluetooth mode, press Fn +1/ 2/ 3 for 3 seconds to switch to different channels.

With a pairing button on the bottom, you can quickly re-enter the BM25 mouse's Bluetooth or 2.4G pairing mode anytime. In Bluetooth mode, just hold it for 3 seconds to pair with a new device.

More Customization on The Keychron Launcher

Unlock limitless customization with Keychron Launcher web app, enabling easy key remapping, macros, shortcuts, and more. Or, further do professional settings for your mouse's polling rate, DPI. It provides 5 on-board memory profiles for your access to different apps or computers.

Anytime, Anywhere Access

Keychron Launcher is a web page configurator that you can use in the office, school, lab, or government department—anywhere with internet access. Configure your combo online anytime without the need to download or install files. No hassle, no trouble.

Compatible with All Platforms

As a web-based tool, Keychron Launcher supports all operating systems. Personalize and program your combo on Windows, macOS, Linux, and more. Enjoy unprecedented flexibility with compatibility across Chrome, Edge, and Opera browser.

Always Up to Date

Keychron Launcher is continuously updated, ensuring you always have access to the latest version. There's no need to download updates or wait for installations.

B36 Wireless Keyboard

The B36 is a wireless keyboard with a 100% full-size layout, built for both versatility and comfort. Its silent typing and scissor mechanism deliver a smooth, quiet experience.

Scissor Mechanism

The B36 scissor switch is equipped with a more innovative design than the traditional scissor mechanism. It is 59% taller than the standard ones, leading to a more accurate, stable and even quieter keystroke.

Plug-and-Play Receiver

For a better 2.4 GHz wireless experience, the B36 comes with Type-A receiver. Enjoy the quick plug-and-play time. Or, put them away in the keyboard magnetic storage slot at the top left corner.

Suitable for All Devices

The B36 has a system toggle to switch between Windows and macOS systems. And you can even configure different keymaps for both devices. Our Keychron Launcher web app is compatible with macOS, Windows, and Linux.

Convenient Shortcut Keys

The B36 is designed with user-friendly shortcut functionality, allowing you to easily switch between multimedia controls (like volume, play/pause, and brightness) and standard function keys (F1-F12). By pressing Fn + X + L for three seconds, you can seamlessly toggle between these two modes.

Powerful Batteries

Powered by a robust 800 mAh battery, the B36 delivers impressive endurance, offering up to 320 hours of continuous use in wireless mode.

Equipped with a large 600 mAh battery, the BM25 offers impressive continuous working times across its versions: Up to 98 hours in Bluetooth mode

BM25 Wireless Mouse

Keychron BM25 has all the best features in a 79g lightweight body that supports wireless 2.4 GHz and Bluetooth connection. It is ideal for any scenario, whether at work or on the go.
