even more variety in your wireless connectivity.

The Ultimate Ergonomic Design

Ergonomic curved design ensures a comfortable grip for a long time. The grip pattern design on both sides of the grip makes the gripping experience even better.

Peak Performance For Every Scenario

Precise sensors, extremely low latency wireless connectivity, and high polling rate give you the best performance for both office , gaming or even on the go.

4000 Hz Polling Rate Option

Setting the mouse at a 4000 Hz polling rate can result in a high-speed signal transmittance between the mouse and the connected device. More responsive cursor movements captured with faster trigger response guarantees unparalleled performance, securing your triumph when it truly counts!

4K Wireless Receiver

The M3 4K comes with an included 4K wireless receiver.

2.4 GHz Wireless Mode

Switch the mode toggle to 2.4 G and then connect the receiver to your PC via type-C cable.

Switch Polling Rate

Press the Report Rate button to switch among 5 levels of polling rate from 125 Hz to 4000 Hz in the 2.4 GHz mode.

Two Types of Receivers In The Box

We designed the smallest Type-C 2.4 GHz receiver and a Type-A 2.4 GHz receiver for the mouse. You can pick either of them, plug it in, and play instantly.

Lightweight at Only 79g

Lightweight at only 79g, it offers just the right amount of lightness, flexibility, and effortlessness to hold in your hand for extended use.
