## Experience Cinematic Brilliance with the Hisense 85E7Q

### QLED TV

The Hisense 85E7Q is a massive 85-inch QLED Smart TV designed to transform your home entertainment experience. Featuring Quantum Dot technology, this television delivers over a billion shades of color, providing a more vivid and realistic picture compared to standard LED TVs. With a stunning 4K Ultra HD resolution of 3840 x 2160 pixels, every detail is captured with incredible clarity and precision.

### Immersive Visuals and Smart Performance

This TV utilizes Direct-LED backlighting and offers a brightness of 400 cd/m<sup>2</sup>, ensuring a vibrant image even in well-lit environments. The contrast ratio of 3800:1 provides deep blacks and bright whites, enhancing the visual depth of your favorite movies and shows. Powered by the VIDAA Smart operating system, accessing your favorite streaming applications is fast, intuitive, and seamless.

## Key Features:

- **85-Inch QLED Display:** Massive screen size with Quantum Dot technology for exceptional color accuracy and vibrancy.
- **4K Ultra HD Resolution:** Four times the detail of Full HD for crystal-clear and sharp images.
- **VIDAA Smart OS:** A user-friendly and responsive interface providing quick access to popular streaming services.
- **Comprehensive Connectivity:** Equipped with HDMI, USB, Ethernet, Wi-Fi, and Bluetooth for all your external devices and peripherals.
- **Smooth Motion:** An 8ms response time ensures fluid motion, making it ideal for sports and casual gaming.
- **Versatile Digital Tuner:** Built-in DVB-T2/T/C/S2/S support for a wide range of digital broadcast signals.

**HISENSE** is a global leader in consumer electronics and home appliances, dedicated to providing high-quality, innovative technology that improves the lives of consumers worldwide. With a focus on performance and value, Hisense continues to push the boundaries of home entertainment.
