WiFi-based app control function. You can operate it from anywhere, and the app even reminds you to change the Clean Cube or filter cartridge when needed. Of course, the ALAZE PRO also includes the patented DAST system - Direct Airstream Technology. This means 30% more power with 30% less energy consumption. The light indicator on the front provides information about the air quality in your environment or when it's necessary to refill the water. The dishwasher-safe housing also makes handling and cleaning very convenient. In short, the ALAZE PRO offers everything your heart desires!
