contents safe.

### **Slim style.**

Make the most of your journey with style that suits you. The new My Passport has been redesigned to feature a convenient, slim form factor and is available in a range of vibrant colors.

### **Backed up.**

Make sure everything you create while on your own life journey - photos, videos, music, and documents - doesn't get lost. The My Passport drive comes equipped with WD Backup™ software that can be set to run automatically to your schedule. Just pick the time and frequency to back up important files from your system onto your My Passport drive.

### **Locked down.**

Keep your digital life's contents secure with My Passport password protection and built-in 256-bit AES hardware encryption. Just activate password protection and set your own personalized password using WD Discovery™.

### **Super easy.**

My Passport portable storage is ready right out of the box including all necessary cables. And with SuperSpeed USB, you can quickly start backing up everything in your life and keep driving forward.

### **Social friendly.**

Included WD Discovery™ software<sup>1</sup> lets you connect to popular social media and cloud storage services like Facebook, Dropbox, and Google Drive™. Seamlessly import, organize, and share your photos, videos, and docs to the My Passport drive to backup your online social life.<sup>2</sup> WD Discovery can also manage your drive through WD Drive Utilities™.

### **Ongoing confidence.**
